Application Form
for Peer-Reviewed Publications

I. Guidelines

Conditions

The FWF can only reimburse publication costs under the following conditions:
(1) The publication has to undergo an international peer review.
(2) One of the authors must be the project leader and/or a project staff member.
(3) If the project ended more than 36 months before the invoice date, the FWF can no longer cover publication costs.
(4) The FWF must be mentioned in the Acknowledgements as follows: **Austrian Science Fund (FWF): project number**

Please note, for projects approved after November 1st, 2014 caps for publication fees exist. See Application Guidelines

Persistent identifier

Any persistent address or identifier that can be guaranteed to be resolvable for at least ten years, preferential DOI or identifier of PubMedCentral, arXiv, RePEc, SSRN or Datacite DOI and others.

Funding Type(s)

a) Open Access
- Open Access Journal
- Hybrid Open Journal (paid for Open Access in a subscription journal)
